Re-Elect

BARB CASTELL

Experience

- I have lived in Division 3 since 1978 (47 years)
- I taught grade one until 1999
- Elected Councillor for Division 3 for two terms, 2007-2013
- Appointed member of the Alberta Surface Rights and Land Compensation Boards (now the Land and Property Rights Tribunal) in 2013
- Constituency Assistant for Foothills MP John Barlow
- Constituency Assistant for Highwood MLA and Minister of Agriculture RJ Sigurdson
- Elected Councillor for Division 3 in 2021

Community Involvement

One of my passions is to volunteer and help make a difference in our local community:

- **Priddis and Millarville Fair**
Fair Committee and Information Booth
- **Kids Only Shoppe at the Millarville Christmas Market**
Helping young shoppers find gifts for family and friends.
- **Millarville Horticultural Society**
I love gardening!
- **Millarville Stockland 4-H Club**
Judging the 4H Public Speaking (One of my favourites)
- **Millarville "Run To The Farmers' Market" Half Marathon**
Hopefully it comes back soon so I can volunteer again.

Proven Results for Division 3

- **Square Butte Community Hall**
Advocated to secure \$80,000 funding from Foothills County to cover the costs not covered by insurance for the February 2024 disaster at the hall.
- **Millarville Recreation Board**
Advocated to increase the amount received from \$25,000 to \$40,000.
- **Millarville Sports Association**
Helped to partner with Foothills County and the Calgary Foundation through the Daryl K. Seaman (Doc) Canadian Hockey Fund for the upgrades to the outdoor hockey rink.
- **Hamlet of Millarville**
Improved traffic safety by having new electronic traffic alert signage installed to slow down drivers going past children walking to school. Residents tell me it is helping.
- **Family and Community Support Services (FCSS)**
Secured funding for Millarville Racing & Agricultural Society, Square Butte Community Association, Millarville Historical Society, Leighton Arts Centre, Priddis & Millarville Fair, Millarville Community Library, and Sheep Creek Arts.

Proven Results for Foothills County

- **Calgary Metropolitan Region Board (CMRB)**
Worked with the Reeve, Council, and staff to successfully remove Foothills County from the CMRB.
- **Secondary Suites**
Changed the bylaw so suites are now a permitted use and increased the allowable suite size to allow families more flexibility with their land.

Please contact me with any questions, comments, or issues you would like to discuss. I look forward to representing you once again in Division 3!
